Hi Milton

I checked online last night on their website- couldn't find any \$49 or \$69 gown- lowest showing on their website is \$129 each. Not sure this is different than the website.

Do you have any number or contact person I can contact please?

Thanks  
Jafrin

I've been so impressed with practice owners here taking so much initiative to keep staff protected (unlike more central bodies, shall we say and also compared to the UK NHS still). I thought it was worth noting this and that today is apparently world day for safety and health at work

We have ordered 40 of these for our 20 clinical staff to wear over their scrubs. They will be washed each day so staff can leave them behind at the rooms to reduce Covid risk. They are antibacterial and fronts are waterproof they are a cutdown version of OT scrub gowns he is providing HNEAHD and are light and cool.

\$49.60 each

Milton
