90-100	0	0	0
Total	162	117	279

Overseas travel	209
Interstate acquired	7
Locally Acquired (within Australia), contact with a confirmed case	36
Locally Acquired (within Australia), no contact identified	27
Total	279

I am pleased to say there are no longer any patients receiving care for COVID-19 in our hospitals.

Currently two patients are receiving care from Hospital in the Home services.

Across the District, 270 people have completed isolation requirements.

You may observe that the data provided in the staff update can differ slightly from the information released publically to the media and via our Facebook page. This is because the public data is reported at a particular point in time and aligned with the release of the NSW Ministry of Health state wide data on their website. Case numbers can also change as they undergo further investigation and review.
